

DDI Alliance Executive Board Meeting

15 August 2018

Present: Cathy Fitch, Maggie Levenstein, Jared Lyle, Steve McEachern, Barry Radler, Joachim Wackerow

2019 Annual Meeting of Members

The Board finalized the meeting date for the 2019 annual meeting of members: Saturday, 1 June 2019 in Sydney, Australia. In years past, the annual meeting has been held the Monday before IASSIST. However, due to the length of travel and subsequent adjustment, The Board recommended that the annual meeting be held directly after IASSIST 2019.

Invitation to the Workshop on the Modernisation of Official Statistics

The Alliance has been invited again to the Workshop on the Modernisation of Official Statistics, 27-28 November 2018 in Geneva. The Board discussed whom would be best to invite to attend. The Board will finalize the selection at the next meeting.

Future Executive Board Meeting Topics

The Board discussed future meetings topics, including:

- a) Finalize the strategic plan
- b) Marketing discussion - increasing the marketing effort
- c) Training and outreach -- future meetings, expanding participation
- d) Revenue generation
- e) Scientific Board
- f) Budget review
- g) DDI 4 assessment

=====

Hi Achim,

Thanks for this. Let's put this on the agenda for the next Exec.

I note that this meeting runs the week before EDDI (it finishes Wednesday in Geneva, and then EDDI starts the following Tuesday in Berlin). This should enable participation in both, and possibly travel from one onto the other across the two weeks.

Regards,

Steve

Subject: FW: Invitation to the Workshop on the Modernisation of Official Statistics, 27-28 November 2018

Hi Steve, hi Jared,

There is again an UNECE workshop where the DDI Alliance should be represented. Registration is by Oct 15. This gives us time enough to plan accordingly.

Achim

Subject: Invitation to the Workshop on the Modernisation of Official Statistics, 27-28 November 2018

Dear colleagues,

We would like to invite you to the 2018 Workshop on the Modernisation of Official Statistics, which will be held in Geneva on 27 - 28 November 2018. Please find attached the first information notice, which contains background and organisational information, as well as contact details.

We appreciate if you can register for the workshop by **15 October 2018** at the latest, by completing the on-line registration form at:

<https://uncdb.unece.org/app/ext/meeting-registration?id=UV1Of5>

Various side meetings will also take place on the dates before or after the main workshop, to attend them you need to complete registration form for the main workshop.

26 November - Meetings of the Modernisation Groups

27 and 28 November - Main workshop

28 November 16.00 – 17.00 – Meeting of the Executive Board and HLG-MOS members

Best regards,

Tetyana Kolomiyets
